

Major milestones

BearingPoint's focus is on the future. But it is important to reflect on the progress we have made, and the client impact we have delivered, over nearly two decades.

Management buyout

Spin-off of our Regulatory Technology business unit

The successful completion of a strategic lifecycle, progressing from initial concept, to a high-value business service, to commercial fruition – all achieved via focused investment, IP, and expertise. We continue to be involved through a minority stake, and as a preferred consulting partner.

2009

2020

Co-development partnership with SAP for carbon neutrality

We joined forces with SAP in a co-development partnership to advance the design and development of a cutting-edge solution to help customers reach carbon neutrality.

New subsidiary in India

We further strengthened our presence globally with the opening of our new offshore delivery center in Electronic City, Bangalore (India), to scale SAP and digital capabilities.

2021

BearingPoint Beyond is spun off

We spun off our ecosystem orchestration and digital platform business unit. This successful completion of another strategic lifecycle further demonstrated our strength in developing powerful combinations of products and services, and creating market value.

Launch of Arcwide

We launched our first ever joint venture, Arcwide, in partnership with IFS. Arcwide unites IFS Cloud expertise with world-leading business consulting under one roof.

2022

Four strategic acquisitions

We completed four strategic acquisitions that enhanced and strengthened the BearingPoint portfolio, particularly in the areas of sustainability (I Care), financial services (Levo Consultants), digital business transformation (Fekra), as well as the Products portfolio (disphere tech).

BearingPoint surpasses €1 billion full-year revenue target

2023 was a breakout year for BearingPoint. In delivering ever-greater value for our clients, we achieved more than €1 billion in revenue for the first time in our history.

2023

Five strategic acquisitions

2023 saw us further strengthen our position with five strategic acquisitions: Korkia enhancing our sustainability practice, Smplicity augmenting our Salesforce expertise, TXS Securitization strengthening our asset-backed securities offering, and bytics Group and Cedar Bay within Arcwide's IFS portfolio.

Acquisition of Enterprise Consulting

We completed the acquisition of this leading IFS Platinum Channel Partner in North America, enhancing Arcwide's delivery offerings.

2024

B Corp Certification

BearingPoint became B Corp certified for the first time, highlighting our firmwide commitment to sustainability.

€1 billion+ revenue for the third year running
BearingPoint closed 2025 with €1.025 billion in revenue in a soft market environment. This was our third consecutive year above €1 billion.

New joint venture in the United States

BearingPoint and ABeam Consulting formed a new joint venture in the United States, marking a significant milestone in our long-standing strategic alliance.

Acquisition of Cedar Bay Iberica

A further strategic milestone was the acquisition of Cedar Bay Iberica, strengthening Arcwide's presence in Southern Europe. In less than four years since its founding, Arcwide has become the global market leader for IFS services.
